McCalla, the expert in Cleaning solutions

Established in 1938, we are a third-generation, family-owned business that has grown to be recognized as a leader in the janitorial supply industry within the greater Los Angeles area.

We are known as a one-stop shop for all cleaning and maintenance supplies. We are proud of the partnership we have formed with our customers and suppliers, a partnership based on integrity, trust, and respect.

Whether you are a purchasing agent, cleaning company, a building facility manager or a residential consumer, we are here for you with our full line of products, knowledge, equipment, and service.

Service is what separates us from the rest

Welcome to our one-stop janitorial solutions! We are thrilled to serve a diverse clientele, including hotels, schools, businesses, retirement communities, government facilities, and more. Whether it's public spaces or commercial kitchens, we are dedicated to providing premium paper products, chemicals, tools, and equipment, as well as comprehensive repair and maintenance services. Our unwavering commitment is to deliver unparalleled value while upholding the highest standards of quality, durability, and safety. You can also benefit from our specialized training at McCalla University, where we offer bilingual training and engaging seminars. We take great pride in our exceptional service and the strong bonds we forge with our customers, corporate accounts, suppliers, and vendors, guaranteeing you access to the best pricing and service in the market.

Services We Provide:

- Equipment & Product Showroom
- Equipment Repair & Warranty Services
- Timely Delivery
- Outside Sales Support
- Ordering Options: Phone, Website, In-Store
- Rental Equipment
- Customer Service Staff
- Bilingual Assistance
- Professional Laundry & Kitchen Services
- In-Store & Off-Site Training: Safety, Equipment & How-tos
- SDS On-Site Trainings
- Dispenser Installation

McCalla University – Take advantage of our professional trainers!

We specialize in training and enhancing the skills and knowledge of employees on safety and OSHA protocols, chemical & equipment best practices, dilution control systems as well as how to clean your buildings, kitchens and laundries. Our goal is to ensure a safe and clean environment for your facilities and staff. Hands-on training is available for all your cleaning solutions, including equipment (scrubbers, burnishers, extractors, spotters, sweepers, and vacuums), cleaning with colors, carpets, dispensers, hand hygiene and sanitizers.

Training can be tailored to your specific needs.

Training in the workplace can benefit both employees and employers in many ways, including:

- **Fewer accidents:** Safety training can help reduce the number of injuries and accidents that occur in the workplace.
- **Improved productivity and efficiency:** When janitors are well-versed in safety protocols, they can carry out their tasks more efficiently, knowing how to avoid hazards and use equipment properly.
- **Increased awareness:** Training can teach employees about the hazards in their workplace and how to manage them.
- **Enhanced job satisfaction:** Providing training opportunities shows commitment to the employees' well-being and professional growth. This can lead to increased job satisfaction and morale.
- **Compliance with regulations:** Ensuring that the janitorial staff is trained in safety practices helps stay compliant with occupational health and safety regulations, avoiding costly fines and legal issues.
- **Long-term cost savings:** By preventing accidents and ensuring compliance, safety training can lead to significant cost savings over time.
- **Enhanced reputation:** Training can help employers build a reputation as a responsible employer that cares about the well-being of its employees.

Prochem® All Fiber Rinse

This unique powdered rinse employs a unique formulation appropriate for use on practically any fiber type, it will not burn and leaves fibers soft to the touch. Dissolves fast even in cold water. Our proprietary Residue Release Technology fully binds soils and minerals to ensure a deep clean. Has a fresh clean scent customers love, no sour or sulfur-type odors! Highly soluble, dissolves fast and completely with minimal agitation. Product has no attraction to fibers, no stickiness, no re-soiling. High temperature stable up to 198°F.

Item	Size	Pack
PRDS6	6 lb. Jar	4/cs

Prochem® All Fiber Rinse

A premier, multi-purpose acidic extraction rinse formulated with premium-grade ingredients to emulsify and remove soils and pre-spray residues that others leave behind. Safe organic acids neutralize alkalinity and leave fibers bright and luxuriously soft to the touch, while inhibiting bleeding, dye migration, browning, and soil wicking. It can be used to stabilize dyes on most fabrics, area rugs, and other textiles. Can be used as a urine neutralizer as a post mist, or as a deep saturation and sub-extraction decontamination process.

Item	Size	Pack

Synthetic O-ring and piston cup hold up against the harshest chemicals, even D-limonene. Up to 40% greater output per stroke significantly reduces the number of times you pull the trigger and a high output with an extra large spray pattern make quick work of any job. Outer body protects piston assembly from damage during use and storage.

Item	Size	Color	Pack
SHGR	9 1/4" Tube	Grey	200/cs

Diamond Pads

Americo Black Diamond 1500 Yellow Initial Polishing Pads

Highly effective for beginning the polishing process and bringing out the initial luster of the floor's surface. Made of 100% recycled polyester impregnated with billions of microscopic diamonds. Remove debris on the floor's surface by dry mopping. Dry mopping reduces the wear on your Black Diamond pad, as well as on the floor and cleaning tools. May be used wet or dry. A diamond-impregnated floor pad used for initial polishing to medium gloss as well as daily cleaning. Ideal for use on all floor surfaces such as natural stone, terrazzo, marble and VCT floors. Prepares the floor for the final step of high gloss maintenance. Use with oscillating or rotary machines up to 3000 RPM.

FPBD203	20"	Yellow	1500 Grit	2/cs

Americo Black Diamond Green Polishing & Maintenance Pads

A diamond-impregnated floor pad used for fine polishing to a high gloss appearance as well as daily cleaning. Highly effective for removing light scratches and producing a high gloss surface when used for daily maintenance. Made of 100% recycled polyester impregnated with billions of microscopic diamonds. This pad also brings out a high gloss appearance on VCT, and linoleum. Green polishing and daily maintenance pad is ideal for daily use to maintain a brilliant, high luster surface. Use with oscillating or rotary machines up to 3000 RPM.

Strip Washers

McCalla Strip Washer Complete w/ Handle & Blue Washers

Includes all plastic Pulex T-Bars and microfiber sleeve. Removes dirt effortlessly with little to no cleaning fluid. Since the microfibers are one-hundredth the width of a human hair, they can penetrate into tiny pores, collecting more dirt. The coarse polyester yarn in the sleeve acts as an abrasive while the finer yarn acts as a degreaser and absorbent. The combination of fibers and high temperature finish gives the fabric a significantly improved cleaning power.

Extension Poles

IPC Pulex Telescopic Poles

IPC Pulex Telescopic Poles offer a full range of possibilities for high reach cleaning. They are comprised of one, two or three parts. The extruded aluminum tubular sections are coupled together by means of nylon collars. The end of each pole is comprised of a standard or screw cone on which you can mount any tool- squeegee, washer, cobweb brush or scraper. There are two joints near the cones with a plastic or aluminum angle adapter to get into tricky corners.

Extractors

EDIC Galaxy Box Extractors Carpets

Extractor Our exclusive line-up of Galaxy carpet extractors now come "heat-ready". You can purchase any Galaxy without heat and if you change your mind, no problem. Simply order our external heater and away you go. Placing the heater on the outside also insures that everything on the inside of the machine runs cooler, extending the life of the vacuum and pump motors. The stainless steel heater tank is guaranteed for life. If a repair is necessary, simply lift the heater off the back of the machine. Meanwhile, you can continue to use the unit without heat! "Heat ready". Exclusive heat-ready system offers the ultimate in versatility. External heater makes repairs a snap and keeps heat away from the motor. Power cord: 50' detachable.

Extractor Accessories

EDIC External Heater Systems

Add heat to any "Heat Ready" portable carpet extractor from EDIC. The world's only 2000 watt Heat 'N' Run™ external heater system! For on-demand heat for carpet cleaning with portable carpet extractors. Easy to install with no tools necessary and outperforms all the competition. The Heat 'N' Run™ is the only detachable heater on the market for carpet cleaning that mounts on the outside, taking only seconds to attach or remove. Extend the life of your EDIC Galaxy™ extractor by mounting the heater on the outside of the machine, keeping the inside components cool. Available on the Galaxy™, Galaxy Pro™, and select Galaxy 5™ models. Gives you the option of purchasing a machine without heat and then adding the heater at any time. This system really heats up fast, delivering 200 degrees of heat in about 90 seconds. Heater watts: 1000 W; Power cord: 50' detachable. Pressure: up to 1300 psi. Electrical Draw: 14.2 amps. Tank construction: Stainless steel.

EDIC Powermate 1204AC Extraction Machine Accessories

Why use a standard wand when you can get a combination of powerful brush agitation and speed in a super lightweight attachment with wheels, all at a bargain price! So lightweight and maneuverable, the Powermate will triple your productivity. No more backaches and fatigue from slow, tedious cleaning with a wand. The Powermate attaches to any portable unit to remove deeply imbedded soil and grit at record speed! A high-speed cylindrical brush gets down to the base of the carpet fibers for more effective cleaning. Available with 1 ¼" (1202AC) or 1 ½" (1204AC) diameter handle. Choice of standard unit up to 100 PSI or high heat up to 300 PSI. Weighs only 15 lbs. See-through front cover. Sealed, stainless steel ball bearings. High-speed 2500 RPM brush for deep cleaning. Heavy duty aluminum handle. Adapts to all EDIC extractors.
